

Titolo del libro

Operating Systems

Order number

1105120244488

Numero pagine

666

Insegnamento

Operating Systems (in inglese)

Sistemi Operativi (in italiano)

Docente responsabile dell'insegnamento

Prof. Paolo Prinetto e Claudio Fornaro

Curatore

Claudio Fornaro, Università Telematica Internazionale UNINETTUNO

Anno Edizione

2012

ISBN

ISBN-13 9781121765504

ISBN-10 1121765505

CAPITOLI

1. Preface: Chapter from *Operating Systems: A Concept-Based Approach* by Dhamdhere, 2009
2. Introduction: Chapter 1 from *Operating Systems: A Concept-Based Approach* by Dhamdhere, 2009
3. The OS, the Computer, and User Programs: Chapter 2 from *Operating Systems: A Concept-Based Approach* by Dhamdhere, 2009
4. Overview of Operating Systems: Chapter 3 from *Operating Systems: A Concept-Based Approach* by Dhamdhere, 2009
5. Structure of Operating Systems: Chapter 4 from *Operating Systems: A Concept-Based Approach* by Dhamdhere, 2009
6. Processes and Threads: Chapter 5 from *Operating Systems: A Concept-Based Approach* by Dhamdhere, 2009
7. Process Synchronization: Chapter 6 from *Operating Systems: A Concept-Based Approach* by Dhamdhere, 2009
8. Scheduling: Chapter 7 from *Operating Systems: A Concept-Based Approach* by Dhamdhere, 2009
9. Deadlocks: Chapter 8 from *Operating Systems: A Concept-Based Approach* by Dhamdhere, 2009
10. Message Passing: Chapter 9 from *Operating Systems: A Concept-Based Approach* by Dhamdhere, 2009
11. Synchronization and Scheduling in Multiprocessor Operating Systems: Chapter 10 from *Operating Systems: A Concept-Based Approach* by Dhamdhere, 2009

12. Memory Management: Chapter 11 from *Operating Systems: A Concept-Based Approach* by Dhamdhere, 2009
13. Virtual Memory: Chapter 12 from *Operating Systems: A Concept-Based Approach* by Dhamdhere, 2009
14. File Systems: Chapter 13 from *Operating Systems: A Concept-Based Approach* by Dhamdhere, 2009
15. Implementation of File Operations: Chapter 14 from *Operating Systems: A Concept-Based Approach* by Dhamdhere, 2009
16. Security and Protection: Chapter 15 from *Operating Systems: A Concept-Based Approach* by Dhamdhere, 2009
