

Titolo del libro

Physics I

Order number

1105120244676

Numero pagine

730

Insegnamento

Physics (in inglese)

Fisica (in italiano)

Docente responsabile dell'insegnamento

Prof. Piergiorgio Picozza e Livio Conti

Curatore

Livio Conti, Università Telematica Internazionale UNINETTUNO

Anno Edizione

2012

ISBN

ISBN 9781121766716

CAPITOLI

1. A Note from the Authors: Chapter from University Physics by Bauer, Westfall, 2011
2. Preface: Chapter from University Physics by Bauer, Westfall, 2011
3. Additional Resources for Instructors and Students: Chapter from University Physics by Bauer, Westfall, 2011
4. The Big Picture: Frontiers of Modern Physics: Chapter from University Physics by Bauer, Westfall, 2011
5. Overview: Chapter 1 from University Physics by Bauer, Westfall, 2011
6. Motion in a Straight Line: Chapter 2 from University Physics by Bauer, Westfall, 2011
7. Motion in Two and Three Dimensions: Chapter 3 from University Physics by Bauer, Westfall, 2011
8. Force: Chapter 4 from University Physics by Bauer, Westfall, 2011
9. Kinetic Energy, Work, and Power: Chapter 5 from University Physics by Bauer, Westfall, 2011
10. Potential Energy and Energy Conservation: Chapter 6 from University Physics by Bauer, Westfall, 2011
11. Momentum and Collisions: Chapter 7 from University Physics by Bauer, Westfall, 2011
12. Systems of Particles and Extended Objects: Chapter 8 from University Physics by Bauer, Westfall, 2011
13. Circular Motion: Chapter 9 from University Physics by Bauer, Westfall, 2011
14. Rotation: Chapter 10 from University Physics by Bauer, Westfall, 2011
15. Static Equilibrium: Chapter 11 from University Physics by Bauer, Westfall, 2011
16. Gravitation: Chapter 12 from University Physics by Bauer, Westfall, 2011
17. Solids and Fluids: Chapter 13 from University Physics by Bauer, Westfall, 2011
18. Oscillations: Chapter 14 from University Physics by Bauer, Westfall, 2011
19. Waves: Chapter 15 from University Physics by Bauer, Westfall, 2011

20. Temperature: Chapter 17 from University Physics by Bauer, Westfall, 2011
21. Heat and the First Law of Thermodynamics: Chapter 18 from University Physics by Bauer, Westfall, 2011
22. Ideal Gases: Chapter 19 from University Physics by Bauer, Westfall, 2011
23. The Second Law of Thermodynamics: Chapter 20 from University Physics by Bauer, Westfall, 2011
24. Appendix A: Mathematics Primer: Chapter from University Physics by Bauer, Westfall, 2011
25. Answers to Selected Questions and Problems: Chapter from University Physics by Bauer, Westfall, 2011
26. Credits: Chapter from University Physics by Bauer, Westfall, 2011
27. Index: Chapter from University Physics by Bauer, Westfall, 2011
28. Endpapers: Chapter from University Physics by Bauer, Westfall, 2011
