

Curriculum Vitae

Name: Abdelnaser Mahmoud Abulfotuh

Education :

- BSc. Physics dept. , Faculty of Science ,Cairo University on May 1978
- MSc.(Laser solids interactions) Physics dept. , Faculty of Science ,Cairo University 1985
- PhD. (Spectral line selection of CO₂ LASER) , Institute de mecanique des fluides de Marseille ,France(1986-1988) and Physics dept. , Faculty of Science ,Cairo University (1989-1991)

Academic career:

- Demonstrator at Physics dept. , Faculty of Science ,Cairo University (1978-1985)
- Lecturer assistant at Physics dept., Faculty of Science ,Cairo University (1986-1991)
- Lecturer at. Physics dept. , Faculty of Science ,Cairo University (1991-1996)
- Assistant professor at Al Gouf Teacher college ,Saudi Arabia (1997-2006)
- Lecturer at. Physics dept. , Faculty of Science ,Cairo University (2006-)

Training and Teaching :

- Workshop on CO₂ & Nd-Yag laser technology ,HDE-SYSTEMS ,San Fransisco,USA(two weeks 1991)
- Workshops on Course design, Modern trends in education and Techniques-aided education , Cairo University (Juli 2007).
- Teaching 1st year students on general physics courses at High institute of engineering and technology at Tamoh (2007-)

Educational books :

- Alaa Abdellatif , Abdelnaser Aboufotuh, 'Experimental Physics for first year engineering students ,El Mohandeen Library ,Giza 1996
 - Abdelnaser abulfotuh , 'Modern physics ' Al Gouf teacher college Library(2006)
 - Abdelnaser abulfotuh , 'Spectra physics ' Al Gouf teacher college Library(2006)
-
