

# Egyptian-Italian initiative in support of e-learning

Egypt and Italy discussed on Wednesday ways of boosting educational cooperation, especially e-learning. This came in a meeting between Higher Education Minister Moustafa Mossad and Itali's Ambassador in Cairo Claudio Pacifico and head of Italian UNINETTUNO University for Distance Learning Maria Amata Garito. Talks covered expanding Egyptian-Italian educational cooperation especially after the successful experiment between the Engineering Faculty of Helwan University and UNINETTUNO University in e-learning.
